## Florence Witherow Appointed as National Secretary

A lifelong football fan, Florence joins the SYFA from SecuriGroup where she was a Senior Project Manager, a role that saw her take charge of a number of successful national events and contracts, managing hundreds of staff.

On making the appointment SYFA chairman, John McCrimmond, said:

"First and foremost we are extremely pleased to be welcoming Florence to the organisation. As a board of directors, we are confident that she is the right person to take the organisation

forward as we continue to grow and provide greater access to safe, organised football for Scotland's young people.

With a wealth of experience in administration, project management and communication we are excited to start working with Florence to move the SYFA forward during this challenging yet exciting time for youth football in Scotland."

On being appointed to the role, Florence said:

"I'd like to thank the SYFA board of directors for giving me this incredible opportunity to work with the amazing staff and volunteers at the SYFA. I really can't wait to get started and I'm very excited about the coming weeks, months and years.

I've been playing and watching football for as long as I can remember, and ever since my dad took me to my first ever game I have been hooked. This is an organisation filled with fantastic people and there is an enormous amount of potential here. I will be doing everything I can to unlock that potential and help get more young people playing football in Scotland."

## SYFA U16 Development Tour 2019 Destination Announced

After the success of last few year's U16 Development Squad tours to [Valencia CF](#) & [PSV Eindhoven](#), we're happy to announce that the team will say 'Arriveiderci' to Scotland, and travel to [FC Internazionale Milano \(Inter\)](#) in April 2019, thanks to our partners [inspiresport](#).

As part of inspiresport's ongoing support to the SYFA, our U16's will be one of the first teams in Scotland to train at Inter Milan's Stunning Youth Development Centre with academy coaches from the club. The 4-day trip will also include a behind-the-scenes tour of the iconic San Siro stadium, and fixtures against Italian opposition.

Inspiresport announced their **exclusive partnership** with FC Internazionale Milano in June 2018, and the club join an impressive exclusive and preferred portfolio of European 'big guns' like [Real Madrid CF](#), [Valencia CF](#), [Villarreal CF](#), [PSV Eindhoven](#) & [FC Porto](#) to name but a few.

SYFA Development Officer Brian Sproul said:

"When inspiresport suggested this destination for our 2019 tour, we jumped at the chance – for our players to experience the fantastic training facilities and get the chance to work with Inter's academy coaches is definitely a once-in-a-lifetime opportunity, and it fits perfectly with our mission to enable every child to develop and flourish as a player."

Jed McCabe, inspiresport's Regional Expert for Scotland added:

"Aside from the team training like professionals, there are a lot of other benefits for teams traveling to Italy – the players will experience a very different culture and approach which will help them develop both on and off the pitch."

## Manchester City FC

Only with inspiresport you can have exclusive access to [Manchester City FC](#) Grade 1 Academy. The pupils will train in official Manchester City kit.
