Recruitment of Ex-Offenders Policy

1. The purpose of this policy is to ensure consistent and fair practices are implemented for the recruitment of staff or volunteers who have a criminal record to paid/unpaid childcare and adults at risk posts within AC Oxfords Football Club.
2. AC Oxfords Football Club undertakes to treat all applicants for positions within the organisation fairly and not to discriminate unfairly against the subject of disclosure on the basis of conviction information revealed. Having a criminal record will not necessarily debar an individual from working/volunteering in a childcare/adults at risk position within the organisation. Only convictions or conviction information that is deemed relevant to the position applied for will result in the applicant not being granted the position
3. This Club implements a fair recruitment policy that ensures individuals have the opportunity to disclose any convictions or conviction information in a way that allows for a clear risk assessment to be carried out that will determine whether or not the conviction or conviction information is relevant to the position applied for.
4. To ensure the correct applicant is appointed and to enable the Club to determine the relevance of any convictions or conviction to positions applied for, AC Oxfords Football Club will use the following recruitment tools:
 - Application Form – Childcare Positions
 - Application Form – Adult at Risk Positions
 - Self Declaration Form – Childcare Positions
 - Self Declaration Form – Adult at Risk Positions
 - References
 - Interviews

Disclosure Certificate

1. As part of the Club recruitment policy, we request the appropriate level of Disclosure Certificate at the final part of the recruitment stage, when a position has been offered. Enhanced Disclosures will only be sought for positions that are deemed exempted posts. An exempted post is one, which is detailed in the Exclusions and Exceptions (Scotland) Order 2003.
2. Where a position requires an Enhanced Disclosure we will make this clear on the information provided for the post.
3. Should the Club decide that the information disclosed is relevant to the post applied for, the applicant will be deemed to be unsuccessful and this information will be fed back to the applicant by letter.

Secure Handling, Use, Storage and Retention of Disclosure Information

1. In accordance with the Scottish Government Code of Practice, for registered persons and other recipients of Disclosure information, AC O'Gangas Football Club will ensure the following practice. Disclosure will only be requested when necessary and relevant to a particular post and the information provided on a Disclosure Certificate will only be used for recruitment purposes.
2. The Club will ensure that an individual's consent is given before seeking a Disclosure and will seek their consent before using disclosure information for any purpose other than recruitment. Furthermore, the Club will ensure that all sensitive personal information that is collated for the purposes of obtaining an Enhanced Disclosure will be managed confidentially at all times by those involved in the Disclosure process.

3. Where non-conviction Disclosure information is provided to AC Oxfords Football Club by a Chief Constable or Chief Officer of a relevant Police Force and not to the Disclosure Applicant concerned, the Club will not disclose the actual details of the Disclosure information to the Applicant, but can inform them, if asked, that additional information was provided and whether this information affected the recruitment decision. No details of additional information, or where it was resourced, will be revealed to the Applicant.

4. Disclosure information will only be shared with those authorised to see it in the course of their duties. Disclosure information will be stored in a locked non-portable container, for a maximum of 90 days. Only those authorised to see this information in the course of their duties will have access to this container. Disclosure information will be destroyed by shredding. No image or photocopy of the disclosure information will be retained. Recipients of disclosure information may, however, keep a record of the following:

Before acting as an Intermediary Organisation, AC O'Connell's Football Club will take all reasonable steps to ensure that the organisation on whose behalf we are acting can comply with the Code of Practice, published by Scottish Ministers under Section 112(1) of the Police Act 1997 Part V, and in full accordance with this policy. We will also take all reasonable steps to satisfy ourselves that they will handle, use, store, retain and dispose of Disclosure information in full compliance with the Code of Practice, and in full accordance with this policy. We will also ensure that any organisation or individual at whose request applications for Disclosures are countersigned has such a written policy and, if necessary, will provide a model policy for that body or individual to use or adapt for this purpose.
